2. Comments from audience

A discussion was held and Attorney Hank Hildebrand addressed the Commission on the issue, suggesting that the Commission consider a rule or policy similar to the TTB that would require the licensees to disclose to the ABC, but not appear before the commission for approval or pay the fee to apply for the change, in situations where there is no change in management or control, and there are no new people involved.

No action was taken at the meeting. Staff will bring this matter back before the Commission once a new member is appointed to the Commission.

PETITION FOR PROPOSED RULE TO BE SUBMITTED
PURSUANT TO T.C.A. §4-5-205

The Petitioner, by and through legal counsel, petitions the Tennessee Alcoholic Beverage Commission (“TABC”) to adopt the proposed amendment to Rule 0100-01 Rules for the Sale of Liquor by the Drink which is attached to this petition as Exhibit A (the “Proposed Rule”). The Proposed Rule is submitted pursuant to Tenn. Code Ann. § 4-5-205 in lieu of a rulemaking hearing, unless a petition requesting such hearing is filed within thirty (30) days of the publication date of the issue in the Tennessee Administrative Register, in which proposed rules are published.

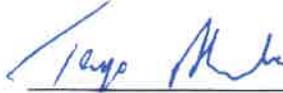

The Petitioner submits that the Proposed Rule is appropriate for adoption pursuant to T.C.A. §4-5-205 in lieu of a rulemaking hearing because its application is narrow in scope and relates solely to the terminal building of a commercial air carrier airport and concessionaires located in the terminal building.

REQUEST FOR RELIEF

For the reasons stated in the Proposed Rule and above, the Petitioner hereby requests that the TABC adopt the Proposed Rule for submission pursuant to Tenn. Code Ann. § 4-5-205 in lieu of a rulemaking hearing.

RESPECTFULLY SUBMITTED,

Conduct of Business

Amendments

(2) Consumption on Licensed Premises.

Except as provided for in 100--01-.08 below, no licensee shall permit alcoholic or malt beverages to be consumed and/or sold on the licensed premises between the hours of 3 a.m. and 8 a.m. on Monday through Saturday or between the hours of 3 a.m. and 10 a.m. on Sunday unless the local jurisdiction has opted out of the expanded hours. If such is the case, then the consumption and/or sale of alcoholic beverages may begin at 12 noon on Sunday.

Rule 0100-01 Rules for the Sale of Liquor by the Drink is amended by adding the following as a new separate section:

Chapter 0100--01-.08
Terminal Building of a Commercial Air Carrier

(1) Hours of Sale. Notwithstanding subsection 0100--01-.03(2), any establishment that holds a license as a terminal building of a commercial air carrier airport under Tenn. Code Ann. §57-4-102(36), any establishment that holds a license as a commercial airline travel club under Tenn. Code Ann. §57-4-102(10), or a concessionaire that holds a liquor-by-the-drink license and is located in a terminal building of a commercial air carrier airport, shall be permitted to allow alcoholic or malt beverages to be consumed and/or sold on the licensed premises during the hours that the terminal building of the commercial carrier airport is open to the public.

(2) Privilege Tax. Establishment, as the term is used in Tenn. Code Ann. § 57-4-301(b)(1)(L), shall mean the license holder. Only one license fee or privilege tax shall be due from each holder of a license for a terminal building of a commercial air carrier airport.

(3) Establishment.

(a) A terminal building of a commercial air carrier airport license may be issued either to the entity in control of the airport or, at its own discretion, to another entity or entities as are contractually permitted to operate within the airport. All such entities shall be considered an Establishment for purposes of Tenn. Code Ann. §57-4-301(b)(1)(L) and shall file an annual report with each renewal identifying each point of sale within the airport.

(b) The holder of a license for a terminal building of a commercial air carrier airport may contractually authorize a separate entity to operate under the

terminal building of a commercial air carrier airport license, and such contractually authorized entity shall not be required to obtain its own license.

(4) Enforcement. The commission may, in its discretion, treat each point of sale at the terminal building of a commercial air carrier separately for enforcement purposes.

Additional Information Required

All agencies, upon filing a rule, must also submit the following pursuant to TCA 4-5-226(i)(1).

(A) A brief summary of the rule and a description of all relevant changes in previous regulations effectuated by such rule;

The amendment will allow the terminal building of a commercial air carrier airport and concessionaires located in the terminal building of commercial air carrier airport to allow consumption and/or sale of alcoholic or malt beverages during the hours that such terminal building is open to the public. Under the current rule, the consumption and/or sale of alcohol or malt beverages at a terminal building of a commercial air carrier airport is not allowed between the hours of three o'clock a.m. (3:00 a.m.) and eight o'clock a.m. (8:00 a.m.) on Monday through Saturday or between the hours of three o'clock a.m. (3:00 a.m.) and ten o'clock a.m. (10:00 a.m.) on Sundays. The proposed rule will expand the hours of sale.

(B) A citation to and brief description of any federal law or regulation or any state law or regulation mandating promulgation of such rule or establishing guidelines relevant thereto;

Tenn. Code Ann. § 57-4-203(d)(5) allows the Tennessee Alcoholic Beverage Commission to expand the hours of sale for establishments located in the jurisdictions which have approved the sale of liquor by the drink. The modification is subject to the procedural requirements of a petition and hearing as described in the statute.

(C) Identification of persons, organizations, corporations or governmental entities most directly affected by this rule, and whether those persons, organizations, corporations or governmental entities urge adoption or rejection of this rule;

The following

1. A terminal building of a commercial air carrier airport license by the TABC.
2. A commercial airline travel club licensed by the TABC.
3. An establishment or a concessionaire that holds a liquor-by-the-drink license which is located inside of a terminal building of a commercial air carrier.

(D) Identification of any opinions of the attorney general and reporter or any judicial ruling that directly relates to the rule;

None.

(E) An estimate of the probable increase or decrease in state and local government revenues and expenditures, if any, resulting from the promulgation of this rule, and assumptions and reasoning upon which the estimate is based. An agency shall not state that the fiscal impact is minimal if the fiscal impact is more than two percent (2%) of the agency's annual budget or five hundred thousand dollars (\$500,000), whichever is less;

Extended hours of sale at the terminal building of a commercial air carrier airport will generate increased tax revenue for both the State of Tennessee and affected local governments.

Extended hours of sale will allow commercial air career airports and concessionaires located inside commercial air career airports to increase volumes of sale, thereby increasing revenue. Increased

revenue would also allow airports like the Metropolitan Nashville Airport Authority—which takes a business-style approach to management—to improve their facilities without raising taxes or fees.

The following is a conservative analysis of the increased revenue expected from expanded hours of sale at the Nashville Metropolitan Airport, alone:

Impact of Service Hour Restrictions of Alcohol at BNA	
% of Alcohol Sales by Type at BNA (per concessionaires)	
54.08%	Beer
14.49%	Wine
31.43%	Liquor
Alcohol Sales at BNA (November 15 – November 16)	
\$9,397,015	Total
\$5,081,928	Beer
\$1,361,476	Wine
\$2,953,611	Liquor
MNAA Revenue from alcoholic beverage and beer Sales (November 15 – November 16)	
\$1,436,552	
Analysis	
27.20%	Total # of seats filled in the hours prior to allowable service of wine/liquor
72.80%	Seats during service hours
72.80%	of time equates to
\$4,315,087	in sales (wine + liquor)
27.20%	would equate to
\$2,024,318	Projected Sales (wine + liquor)
\$306,648	Projected Revenue to the Airport

In total, the Airport could anticipate more than two million dollars in additional sales from expanded hours. This increase in sales would result in \$306,648 in additional projected revenue to the Airport.

Additional projected yearly Tax Revenue for the State and Local Government? (wine + liquor)

State's Sales Tax Revenue: \$77,538.58
City & County Tax Revenue: \$24,923.12
Liquor-by-the-Drink Tax Revenue: \$166,154.10

Total: \$268,615.80

Based on this estimate, it is expected that other commercial air carrier airports in Tennessee, such as the Memphis International Airport and McGhee Tyson Airport, will experience similar increase in sales.

(F) Identification of the appropriate agency representative or representatives, possessing substantial knowledge and understanding of the rule;

Clayton Byrd

(G) Identification of the appropriate agency representative or representatives who will explain the rule at a scheduled meeting of the committees;

Clayton Byrd

(H) Office address and telephone number of the agency representative or representatives who will explain the rule at a scheduled meeting of the committees; and

(I) Any additional information relevant to the rule proposed for continuation that the committee requests.

In addition to increasing tax revenues, the proposed rule will allow commercial air carrier airports in Tennessee to better compete with commercial air carrier airports in contiguous states and commercial carrier airports in top 25 cities for convention business in the United States. The attached excel spreadsheet contains the hours of alcohol sales at commercial air carrier airports located in contiguous states and top 25 convention business cities.
