

## COVID-19 Area Eligibility Flexibility Form

FNS has provided nationwide approval for states to locally waive area eligibility requirements, as needed, to support access to nutritious meals when certain foods are not available due to the novel coronavirus. The waiving of the area eligibility requirements in §225.2 will allow flexibility valid through June 30, 2020 or until expiration of the federally declared public health emergency, whichever is earlier. You will receive an approval email once approved by the state agency.
