FOR THE THIRTIETH JUDICIAL DISTRICT AT MEMPHIS**

COMMUNITY FOUNDATION REALTY,
INC.,

Petitioner,

Docket No.: _____

v.

UNKNOWN INTERESTED PERSONS,

Respondents.

**CERTIFIED PETITION FOR TERMINATING USE OF LAND AS BURIAL GROUND
AND FOR REMOVAL AND REINTERMENT OF REMAINS OF DECEDENTS**

Community Foundation Realty, Inc., ("Petitioner"), by and through its undersigned counsel, respectfully petitions the Court for an Order terminating the use of land on the premises of the Monastery of St. Clare, 1310 Dellwood Avenue, Memphis, Tennessee 38127 as a burial ground, and permitting removal and reinterment of the decedents buried there. The subject property was a cloistered Monastery owned and operated by the Franciscan Order of St. Clare. This Petition seeks authority to remove 27 gravesites of deceased persons which are located on the property (the "Gravesites") and to obtain approval for the following. There are 25 religious Sisters buried and two Catholic priests, namely Monsignor Whitfield and Father Joe Tagg. One of the religious Sisters is to be cremated and ashes sent to Huehuetenango, Guatemala; remains of 24 religious Sisters are to be disinterred and reinterred at Calvary Catholic Cemetery. Monsignor Whitfield and Father Joe Tagg are to be disinterred and reinterred at Calvary Catholic Cemetery.

In support of its Petition, Petitioner states as follows:

PARTIES AND JURISDICTION

1. Petitioner is an incorporated not for profit organization with its principle place of business at 1900 Union Avenue, Memphis, Tennessee, 38104, and is the current owner of the property commonly known as 1310 Dellwood Avenue, Memphis, Tennessee 38127.

2. The Gravesites at issue are located on the premises of the Franciscan Monastery of St. Clare, 1310 Dellwood Avenue, Memphis, Tennessee 38127. Accordingly, jurisdiction and venue are proper in this Court pursuant to Tenn. Code Ann. § 46-4-103(a).

3. Pursuant to Tenn. Code Ann. § 46-4-103(b), necessary respondents in this proceeding are all unknown “interested persons,” which are defined in Tenn. Code Ann. § 46-4-102 as the following:

As used in this chapter, unless the context otherwise requires, “interested persons” means any and all persons who have any right or easement or other right in, or incident or appurtenant to, a burial ground as such, including the surviving spouse and children, or if no surviving spouse or children, the nearest relative or relatives by consanguinity of any one (1) or more deceased persons whose remains are buried in any burial ground.

In this case, Petitioner purchased the subject property including the Gravesites from the Franciscan Order of St. Clare on November 19, 2019.

4. Whereas all known interested parties are in agreement as to the removal and reinterment of the deceased persons from the Gravesites, Petitioner requests that the Court cause notice to be made to all unknown interested persons by publication in a newspaper of general circulation in Shelby County, Tennessee, for 4 consecutive weeks. Tenn. Code Ann. § 46-4-103(b) provides in part that “[n]onresident and unknown defendants may be proceeded against by order of publication, and publication, in the manner provided by law.” Tenn. Code Ann. § 21-1-204(b) states that “the clerk shall forthwith cause a copy of this order to be published for four (4)

consecutive weeks in the newspaper mentioned in the Order or designated by the general rules of the Court.”

FACTS

5. The Franciscan Monastery of St. Clare is located at 1310 Dellwood Avenue in the Frayser neighborhood of Memphis, Tennessee. Until recently, the Monastery was home to a cloistered, contemplative community of Roman Catholic nuns from the Order of St. Clare, traditionally known as “the Poor Clares” or the “Sisters of St. Clare.” The Monastery has been in operation at this location since 1932 and sits on a 6.28-acre parcel of land. The Gravesites at issue are in a crypt located beneath the main chapel on the Monastery property and continue to be maintained by Petitioner. In total, there are remains of 27 deceased persons interred in the Gravesites, all St. Clare Sisters or ordained Roman Catholic religious.

6. The number of Sisters living at the Monastery has steadily decreased in recent years; as of early 2019, only four Sisters remained in residence there. At that time, the Sisters determined that the Monastery would be closed at the end of 2019, and arrangements were made for the Sisters in residence to be relocated to another religious community. The Order of St. Clare determined that the Monastery property would be sold, as its four remaining Sisters were unable to sustain The Monastery due to the infirmed health of each. Additionally, the Vatican released instructions with new norms for contemplative orders of Nuns under its document “Cor Orans” as a follow up to instructions implementing Pope Francis’ rulings and mandates for monasteries of women around the world. The instructions were released by the Vatican May 15, 2018 and went into effect immediately. Among the most significant changes was the new mandate that a monastery of contemplative community of women religious have at least eight (8) professed

religious women in order to maintain their autonomy and retain the right to elect a Superior for the religious group.

7. The Order of St. Clare contacted the Assisi Foundation of Memphis, Inc. to assist with the sale of the property. In preparation for the sale, the Monastery property was surveyed by Timothy E. McCaskill, RLS of McCaskill & Associates in October, 2019. The Boundary Survey of the Monastery property is attached as **Exhibit A**.

8. On November 19, 2019, the Monastery was sold to Community Foundation Realty, Inc. with funding provided through the Assisi Foundation. The Warranty Deed was recorded in the Register's Office of Shelby County, Tennessee on December 2, 2019, and is attached as **Exhibit B**. As a term of the property sale, the Order of St. Clare expressed their wish for the remains of the 27 decedents interred at the Gravesites to be disinterred and removed to another burial location following the closure and sale of the Monastery.

9. Specifically, the Order of St. Clare desired for 26 of the graves to be removed to a burial plot at Calvary Catholic Cemetery in Memphis, Tennessee, and for the 1 remaining grave to be exhumed, with the remains of Sister Eileen Teresa Rowland cremated and reinterred at the Cemetery of Monastery Hermanas Clarisas in Huehuetenango, Guatemala. See **Exhibit C**.

10. Petitioner has developed a detailed plan to accomplish the proper and lawful removal and reinterment of the Gravesites, which is set forth in the following paragraphs:

11. Petitioner has engaged the services of Canale Funeral Directors to facilitate the removal of the remains from the Gravesites and the reinterment at a new burial plot at Calvary Catholic Cemetery in Memphis, Tennessee, hereinafter referred to as "Calvary". The new burial grounds will be provided for the reinterment through the generosity of the Catholic Diocese of Memphis, in Tennessee, as it owns and operates Calvary. The Affidavit of Ford Canale of Canale

Funeral Directors, which sets forth specific information concerning the removal of the Gravesites and reinterment, is attached. Additionally, Mr. Canale has prepared a written burial disinterment/reinterment plan that describes the methodology that will be utilized to exhume the Gravesites and relocate the remains. These are attached collectively as **Exhibit D**.

12. In undertaking the removal and relocation of the decedents, Petitioner will conduct the reinterment of the remains with due care and decency in accordance with Tenn. Code Ann. § 46-4-104.

13. Pursuant to Petitioner's plan for removal and reinterment of these decedents, the remains of 26 decedents will be removed from the Gravesites and reinterred at Calvary, where a burial plot has been reserved specifically for their reinternment. The Affidavit of Patrick J. Posey, Sr. (Director of Catholic Cemeteries for the Diocese of Memphis), which sets forth specific information concerning the reinternment of these decedents, is attached as **Exhibit E**.

14. Petitioner will erect appropriate Gravesite markers at the reinterment site in accordance with Tenn. Code Ann. § 46-4-104. From that point forward, the Gravesites will be mowed and maintained by Calvary.

15. The remains of one decedent, Sr. Mary Peter (Eileen Rowland), will not be reinterred at Calvary Cemetery, but will instead be exhumed, cremated, and reinterred at the Monastery of Hermanas Clarisas in Huehuetenango, Guatemala in keeping with the wishes of the decedent, her family, and the communities of St. Clare Sisters in Memphis and Huehuetenango, Guatemala. On September 2, 2019, Maria Concepcion Menjivar, OSC, Mother Superior of the Monastery of Hermanas Clarisas in Huehuetenango, Guatemala, submitted a written Petition expressing the Guatemalan Monastery's desire for the removal and transportation of Sr. Mary Peter's remains to Huehuetenango for reinterment at the Monastery Cemetery there. This petition

states that Sr. Mary Peter's remains are to be reinterred and maintained in the Cemetery of the Monastery of Hermanas Clarisas, located in Corral Chiquito 2-75, Avenue Santa Clara, Zone 8, in Huehuetenango, Guatemala. This request is more particularly described in paragraph 9 above and as **Exhibit C** attached.

16. Given the sale of the Monastery property to Petitioner and the agreement of all known interested persons that the remains interred should be removed and properly reinterred at other burial sites, the Gravesites are no longer suitable resting places for the remains of the decedents in accordance with the conditions set forth in Tenn. Code Ann. § 46-4-101. Accordingly, Petitioner requests permission from this Court to terminate the use of the Gravesites as a burial ground and to have the remains of the decedents removed from the Gravesites and reinterred in the suitable new locations described herein as permitted by Tenn. Code Ann. § 46-4-103(a).

Petitioner has been in communication with the family of Father Joe Tagg. The family has requested that Father Tagg be buried with the Sisters and that his gravesite be located next to the grave of Monsignor Whitfield. That family's request is part of this plan.

WHEREFORE, Petitioner requests that the Court:

1. In accordance with Tenn. Code Ann. §§ 21-1-204 and 46-4-103, enter an Order authorizing notice to all unknown interested persons by publication in a newspaper of general circulation in Shelby County, Tennessee, for 4 consecutive weeks;

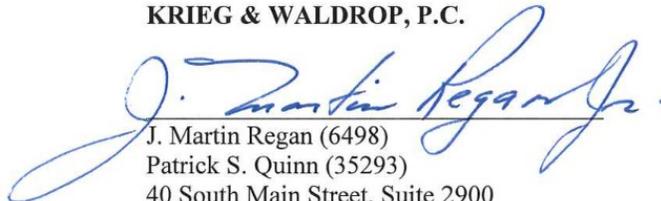

2. In accordance with Tenn. Code Ann. §§ 46-4-101 and 46-4-104, enter an Order finding that the Monastery property is unsuitable as a resting place for the remains of the decedents because the conditions and activities about or near the Gravesites are no longer consistent with due and proper reverence or respect for the memory of those interred there;

3. In accordance with Tenn. Code Ann. § 46-4-104, enter an order approving the removal and reinterment of the remains in the manner and location proposed in this Petition so that appropriate permits may be procured from the State of Tennessee, and the afore described actions may be taken in full compliance with the rules and regulations of the State of Tennessee, County of Shelby and in adherence to the teachings of the Roman Catholic faith for the proper compliance, reverence, respect and dispositions of the decedents buried at the Monastery; and

4. For such further and general relief as may be appropriate.

Respectfully submitted,

KRIEG & WALDROP, P.C.**

It has agreed to use its expertise and long history of deep faith to assist the Franciscan Monastery of St. Clare, Memphis in the disinterment and reinterment of the remains of 26 deceased, and cremation and preparation of ashes for one deceased Sister's remains.

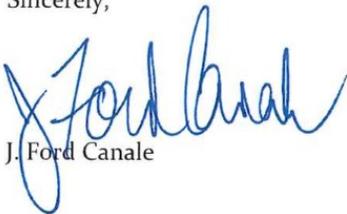

Canale has a long history of working in tandem with the Catholic Diocese, its religious clergy, its Director of Catholic Cemeteries and the assembled team that is assisting in the closing of the Monastery and the disinterment and reinterments noted above.

It is contemplated that several of the remains of those buried at the Monastery may need replacement caskets and Canale is prepared to work with the team to make sure all of the work is done with full respect for the remains and their families.

Canale has been working closely with the Sisters, Calvary Cemetery, the Catholic Diocese and the attorneys involved to assure that there is full compliance with requirements of the State of Tennessee and that the appropriate processes are followed for issuance of permits as required and completion of the tasks so that the Monastery grounds may be closed permanently as a cemetery and all of the remains of the decedents shall be handled in a fully respectful and appropriate manner.

We are available to answer any questions and remain committed to continue our years of tradition in the City of Memphis to offer the highest caring and personal services.

Sincerely,

J. Ford Canale
