### **SCHEDULING OF INSTALLATION**

Professional Installation shall be done between 8:00 am. and 4:00 p.m., Monday through Friday, excluding State-observed holidays. Special attention shall be given to the scheduling and coordination of all services to minimize disruption at the Facility.

During the course of the work, the contractor will maintain a clean work area and, upon completion of the work, shall remove and be responsible for disposition of all waste and trash resulting from contractor's work including hazardous materials, if any.

All visitations by service/installation personnel shall be logged on-site as to date and time (i.e. time in and out) by facility security personnel, Facility Manager and/or an authorized representative. It is required that all service/installation personnel personally sign in and out to verify their presence and length of stay at the facility.

After completion of repairs, the Contractor and the Facility Manager will inspect the completed work.

### **COMMUNICATION AND DELIVERY:**

The Contractor shall be responsible for scheduling services with the Facility Manager, Kevin Graves, or Designee.
