VIII. GENERAL COUNSEL'S REPORT

**APPROVED**

Motion:  
Mr. Ridgway  
2<sup>nd</sup>: Mr. Taylor  
(9-0-0)

**A. NHC Healthcare, Cookeville (Putnam County), TN – CN1604-014A**

Request for a 3 year extension, from 10/1/18 to 10/1/21

The CON was unanimously approved on 8/24/16 for the addition of 10 Medicare certified SNF beds to the existing 94 bed dually certified skilled nursing facility and renovation of 12 existing patient rooms. The estimated project cost was \$4,806,490.

*Ms. Brown  
Recused*

**APPROVED**

Motion: Dr. Patric  
2<sup>nd</sup>: Mr. Korth  
(8-0-0)

**B. Maury Regional Hospital d/b/a Maury Regional Medical Center, Columbia (Maury County), TN – CN0210-103M and CN1307-026A**

Request for modification from mobile to fixed PET/CT Scanner.

CN0210-103M was approved on 1/22/2003, for the initiation of mobile PET services 1 day per week at the hospital campus. The CON was subsequently modified to 3 days per week.

CN1307-026A was unanimously approved on 10/23/13, for the relocation of its megavoltage radiation therapy service from MRMC's main campus at 1224 Trotwood Avenue, Columbia (Maury County), to the Columbia Mall at 6508 South James Campbell Boulevard, Columbia (Maury County), a distance of approximately one mile. The megavoltage radiation therapy service consisted of two (2) linear accelerators and its PET/CT service consisting of one mobile PET Scanner. The project included the building of shell space for a future fixed PET/CT Scanner.
